

TECHNICAL BULLETIN

EXTRACT

EXTRACT is a carpet shampoo specially formulated for use with modern carpet shampoo equipment. EXTRACT is designed to inhibit corrosion of the machines as well as with penetrants which will force dirt out to be removed by vacuuming.

FEATURES

- No foam carpet shampoo.
- Special cleaners and destainers incorporated into one product. Safe on all carpets.
- Quick drying.
- Non toxic and non inflammable.

APPLICATION

Use a 5% solution for removing normal dirt. For heavy grease stains, use a 10-20% solution.
